Please note that this payer does not provide real-time discussion at this time, so all requests for action will return with a response request pending. We recommend that you submit a claim and choose to pay the patient, as well as collect the full amount of treatment from the patient. This payer expects real-time hearings to be available in 2020. We will notify you of this change when they occur. Manion: Payments can be made by direct deposit or cheque. If you have registered directly by depositing through TELUS Health, you will be charged with a direct deposit and a notification will be sent to you by email. Direct deposits and cheque payments are made every working day. Manulife Financial: Payments to service providers will be issued daily using only a direct deposit. Cheques will not be issued. Payments made with a direct deposit are transferred to your financial institution within one business day of payment of your claim (the claim is paid on the working day following the filing date). Your financial institution determines when the payment is for deposits in your account. Real-time reports are issued at the time of the claim. Please make sure you print or save the transaction response at the time of submission to facilitate reconciliation when paying into your account. Manulife's solution is completely electronic – no paper checks or notices will be issued. If you want to receive a payment from Manulife, you must call for a direct deposit to TELUS Health so that payments can be deposited directly into your bank account. If you still have to provide your bank details to TELUS Health, you will still be able to submit claims to Manulife. You will receive a message that the payment will be sent directly to the plan participant, and you must collect the full amount from your patient. Maximum benefit or Johnston Group: The provider's payments can be made by direct deposit or printed cheque. If you have registered directly by depositing through TELUS Health, you will be charged with a direct deposit and a notification will be sent to you by email. All other payments by the service provider will be made by a printed cheque. All payments are processed every business day for claims processed before the day. Claims held for review or audit are usually passed on to pay within two working days. Sun Life Financial: Several direct deposit payments may be sent for claims processed on that day. Sun Life Financial will only provide payment with direct deposit. Where applicable, payments shall be paid may last up to 48 hours after processing the claim. A Sun Life Financial Provider statement will be issued by email for each deposit made to your bank account to help align the requirements with each deposit. It is very important to inform TELUS Health if your contact details or bank details change (e.g. bank account details, email address, name, address, etc.) This is particularly important in the case of bank information, which may lead to a payment rejection, and an email address, as an incorrect address may result in the provider's notification bounce back. TELUS AdjudiCare: TELUS AdjudiCare is compiled and used by many different small insurers. As a result, it varies depending on whether telus AdjudiCare depends on whether it depends on whether it depends on TELUS AdjudiCare. Payment is sent within 3 and 10 business days by cheque or EFT (direct deposit). During this time, payment statements are sent by post. electronic payment reports will be available in 2020. Available.
